Doggie PlayCare is a service that provides your pet with exercise and socialization with other dogs. Dogs are placed in playgroups according to size and temperament. Owner understands that the Service's leash-free environment allows dogs the opportunity to play in close physical contact (including nose to nose) with each other. Owner further understands that dogs are pack animals, play with their teeth and paws, and are unpredictable in nature. As a result, no amount of supervision, sanitation or personalized care from The Pet Hotel can be 100% certain to prevent a dog from being injured or contracting an airborne virus or communicable disease. Despite these precautions, Owner understands these risks are inherent to the Services and hereby release The Pet Hotel, its employees or members or other agents from any and all losses, damages, costs and expenses arising out of or in connection with any injury, communicable disease, airborne virus, or any other medical condition contracted by Owner's Pet at The Pet Hotel. This also applies to any claims for injuries or damages related to such medical care or transport. Furthermore, Owner agrees to be held solely responsible for any and all acts and behavior of said Pet while in the care of The Pet Hotel, including payment of costs for injury to staff or other animals or damage to facilities caused directly by the Pet.

Grooming: The Pet Hotel is not responsible for allergic reactions resulting from the manufacturers-recommended usage of any products. Although a pet may experience an allergic reaction to grooming products at any time, please consult your veterinarian prior to having your pet treated if you have any questions concerning your pet's sensitivity to such treatment. The Pet Hotel is not responsible for any pre-existing medical conditions or any other medical problem(s) that may become affected as a result of the grooming process.

Pets whose coats are matted or tangled are often times denied regular circulation and skin stimulation. This leads to unhealthy situations including irritated/discolored skin, sores, foul odors, and even organic matter like weeds embedded in the skin. The Pet Hotel will use its' best efforts to minimize the effects of de-tangling and de-matting; however, Owner must be advised that de-matting or coat removal on matted pets is a delicate and slow process which may present certain post-grooming risks including, but not limited to: itchy skin, discolored skin, burns, sores, and more. The Pet Hotel shall not be held responsible for minor nicks or burns resulting from the grooming of matted, neglected coats or for irritation caused by coat removal.

The health of each pet is The Pet Hotel's number one concern. If we feel the safety or well-being of Pet and/or associate is in jeopardy, a muzzle may be used or services refused or discontinued. In case of emergency, Owner designates The Pet Hotel as agent and understands that The Pet Hotel will do whatever is deemed appropriate for the well-being of Pet while in our care. If Pet becomes sick or injured and requires professional attention, we will attempt to contact Owner. However, if we are unable to The Pet Hotel, in its sole discretion may engage the services of a veterinarian and the expense shall be paid by Owner.

Multiple Family Members: If Owner requests to board Pet together with other "family members" in the same suite, Owner acknowledges and understands that actions of Pets may be unpredictable and such an arrangement may significantly increase the chance of injury, aggression and altercations regardless of the amount of supervision. In such care, Owner understands said Pet(s) must be separated. Owner hereby holds The Pet Hotel harmless from any such claim or action as a result of boarding Pet(s) together.

Compliance: Owner agrees to comply with published House Rules of The Pet Hotel, which may be revised from time to time, with or without notice. In the event that there is a discrepancy, this Agreement shall supersede the contents of the House Rules.
